THE ENDEAVOUR SCHOLARSHIP

Empowering the Future

OUR MISSION

Founded in 2019, with Apollo 15 astronaut Al Worden, the Endeavour Scholarship Foundation is a 501(c)3 nonprofit dedicated to inspiring future leaders and fostering global collaboration through the wonders of science, technology, engineering, art, and math (STEAM). Our program sends selected teams to Space Camp in Huntsville, Alabama, and has awarded over 100 scholarships to participants from ten countries.

MAKE AN IMPACT

Our program is funded by organizations and individuals who share our vision of inspiring future industry leaders. Be part of the journey—support us today!

Ad Astra!
